

Mirror with folded frame. 600 x 450 mm.
Mirror thickness 3 mm. Stainless steel.
Polished finish.

Maintenance

Stainless steel requires maintenance as dirt over time can eat away the chrome of AISI 304 stainless steel. We recommend a monthly cleaning with our specialized product.

Description

- Mirror with AISI 304 stainless steel frame.
- Durability and corrosion resistance.
- Frame made of stainless steel in polished finish. Also available in satin finish (NOFER 08050.S) and white finish (NOFER 08050.W).
