

# DALI Square Track

## RCS750 5C6 L1000 BK (XTSC6100-2)

DALI Square Track, Normal, Black, Tool-protected

Designed for use with DALI projectors with a dedicated adaptor, the DALI Square Track is ideal for users who want lighting flexibility to create a specific ambience in their shop and to reduce energy consumption. The system is made up of a solid aluminum track, which is available in various lengths and with a choice of electrical conductors. Any given configuration can be easily created – horizontal or vertical, mounted on or in the ceiling, on the wall or on free-standing panels. The system can also be used as a floating structure. All luminaires have a separate power supply and can be switched selectively. They can easily be moved to alter the lighting and presentation. In this way, a multifunctional track system can be created for accent lighting as well as for suspending advertising and decorative material.

### Product data

General Information		Full product name	
Accessory color	Black	Full product code	RCS750 5C6 L1000 BK (XTSC6100-2)
Glow-wire test	Temperature 850 °C, duration 5 s	Order code	871869606539600
Approval and Application		Material Nr. (12NC)	910502500051
Ingress protection code	IP30 [Tool-protected]	Numerator - Quantity Per Pack	1
Protection class IEC	Safety class I	EAN/UPC - Product/Case	8718696065396
Product Data		Numerator - Packs per outer box	1
Order product name	RCS750 5C6 L1000 BK (XTSC6100-2)	EAN/UPC - Case	8718696065396
